Agenda

School Advisory Meeting

January 27, 2021

The SAC portion of the January 27, 2021, TVM BOD meeting will focus upon the extracurricular offerings at TVM. Recognizing that 2020 was not a “normal” year for both instruction and extracurricular events/activities, let’s fast forward to school year 2021-22 and review the list of potential offerings that might reflect a non-pandemic year. Are we presenting our students with enough appropriate extracurricular opportunities? Are those activities consistent with our Montessori philosophy and our commitment to STEM??
